FALL 2014

Message from the Founder

Dear Family & Friends:

In May, we hosted my two favorite events of the year – the 2014 Bailey Scholar Receptions. Once again, we had an excellent turn out and it was a pleasure meeting some of our 2014 High School Program Scholarship recipients. We were honored to have our guest speakers, and previous scholarship recipients, Antonio

Dowels and Ly Tran, share their school experiences with us and the upcoming college freshmen. You will see some highlights of the events to the right.

The kids and grandkids had some fun adventures overseas this summer. They started along the Mediterranean aboard a Disney Cruise and Kyle's family ended the month-long trip in Switzerland. I enjoyed looking through Kyle's beautiful photos – you can see some of them on page 4.

Kyle flew Bev and me to Princeton High School's 55th class reunion in September at the Pipestem Resort in West Virginia. It was wonderful seeing my "old" friends again as well as my buddy, Stan Elmore, BFF's Development Director. It only seems like yesterday we were shooting hoops together in the school's gymnasium. Check out some of the photos from the reunion on page 5.

Fall is here and all the grandkids are back in school. Our youngest, Megan, started Pre-K and joined her two older brothers and cousins at their school. Bailey is already looking at colleges for 2016. I hope she doesn't go too far away!

I hope you had a great summer. Please enjoy this edition of the Bailey Family Foundation Newsletter. Let me be the first to wish you and your family a wonderful holiday season.

Coppertail Brewing Co

Kent Bailey founded Coppertail Brewing a couple years ago and, after plenty of hard work, the brewery has opened its temporary tasting room doors and begun selling beer in nearby pubs.

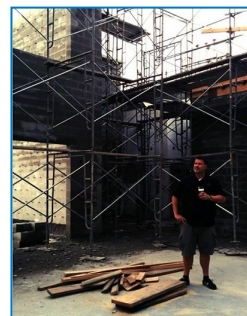

We've tasted the beer, and it's delicious! But more than that, here at BFF it's been exciting to watch Coppertail Brewery grow and succeed. Kent recently expressed his gratitude on their blog, "I'm thankful for the team we've built at the brewery. It has taken a lot of people, pulling together toward the same vision to make this brewery happen."

There's still a lot more in store for Coppertail, so you can keep up to date by pressing "like" on Coppertail's Facebook page, <http://facebook.com/Coppertailbrewing>

Or you can visit their website at <http://coppertailbrewing.com>.
