Foundation Newsletter

MAY 2003

Message from the Founder

Dear Family & Friends:

What a busy time it has been lately here at The Bailey Family Foundation! April 15 was the deadline for scholarship applications for the Fall 2003 term and we received almost 1,600 applications and will

award over 200 scholarships for the Fall term. This would not have been possible without the efforts of our Scholarship Application Evaluators. Thank you so much for your help!

Shortly after all the applications were in, my first granddaughter was born on April 17, 2003. My youngest son, Kent, and his wife, Cristina, named her Lily Adabelle Bailey. I am a little biased, but I think she has to be one of the three best looking grandchildren ever! She's still too young to do much traveling, but I'm hoping that Kent & Cristina will bring her out to meet some of her extended family later this summer in Winchester.

I am very pleased to have had such a great response to our request for newsletter submissions. We received over 50 submissions and almost as many pictures as you'll see as you begin to look inside. Thank you for your participation.

In addition to updates on our family and friends, we would like to share with you a bit more information about what The Bailey Family Foundation has been up to lately. One of the most exciting projects launched recently is "The R.K. Bailey Art Studios", a new \$2 million learning facility scheduled for construction this year on campus at The University of Tampa. You can read more about the Foundation activities inside.

I hope you enjoy this issue of The Bailey Family Foundation Newsletter. I'm looking forward to seeing you all at Camp Creek soon.

Bailey, Mack Bee: Passed away on September 26, 2002 in Princeton, West Virginia.

Christina S. Bailey writes, *"It is difficult to put into a few words what Mack Bailey meant to so many people. He was a doting son, brother, husband, father, grandfather, great-grandfather and friend. He lived a simple life. He loved to talk about timber, coal mining, cars and his family and he loved to eat sweets."* Dennis Bailey shares some of his thoughts, *"He was the best Dad and he was my best buddy. Dad would always come to the house and help me with any task I was working on. Three things are for sure: He was loved very much, he will never be forgotten, and he is missed by everyone whose life he impacted."*

close to ours and our sister-in-law **Dessie**, was a descendant of the Aker's family. So, lot's of childhood memories and friendships were rekindled that day. In August, the descendants of **Joseph & Della Bailey** enjoyed a picnic at Clearbrook Park near Winchester, Virginia. The weather was extremely hot, however the sixty or so of us had a great time talking and eating. We were happy **Rita Lintz** (Sister of **Nancy Lintz Bailey**), **Harris Stine** (family friend), and **Pi, Tina, Bailey, and Isabella Piboolnuruk** (friends of Ron Bailey's family) were able to join us. Labor Day weekend found us at **Harry's** old family homeplace near Alderson, West Virginia for the Ballengee Reunion. About a hundred people came and during the afternoon the cousins placed a bronze plaque on a huge rock near the house, honoring their parent's and grandparents. We really enjoy staying in touch with the family and friends, remembering 'the good ole days' and god's many Blessings."

Foundation Activities:

Cork United Methodist Program: On Sunday, April 27, 2003, Ron Bailey announced the launch of a new combination scholarship and research program called "The Cork United Methodist Program." The program involves awarding \$4,000 scholarships to six graduating high school seniors who plan to start college in the Fall, 2003 and tracking these students as they progress through their post-secondary education and beyond. The Foundation will periodically conduct in-depth interviews with each student as well as collect and monitor other student data. These students will have the opportunity to renew their scholarships annually for up to four years as long as they continue to participate in the research program.

Ron Bailey with the scholarship recipients: Jennifer Bosse, Erica Der, Brittany Clenney, Rocky Sink Jr., Stephanie Parrott, and Todd McCracken and Reverend Bahr

High School and College Scholarship Program: The scholarship programs were a huge success this year! From January 1st to April 15th we received almost 1,600 applications for both our High School and College Programs. We hope to award a \$4000 scholarship to 208 of those applicants. In addition, we also awarded 35 College Program scholarships in October of last year. Thank you to all our evaluators for their hard work in scoring the many applications we received. *—Kim Smith*

After lunch, the kids enjoyed the main event: Finding the Easter Eggs! Kyle's son Brandon was declared the Grand Champion after his basket was found to contain 42 eggs!

Family Foundations Conference:

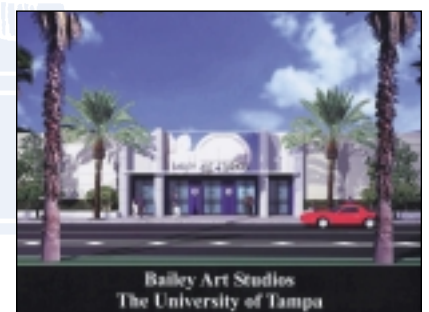

Foundation Trustees Ron, Kyle, & Kent Bailey and Executive Director Stan Elmore attended the Council on Foundations' Family Foundations Conference in San Jose, California in February, 2003. Everyone found the conference very informative and they came back with many new ideas for improving The Bailey Family Foundation.

Gift to Fund Art Center:

The Bailey Family Foundation announced on December 11 a gift of \$2 million for the construction of new art facilities on the campus of The University of Tampa. The new complex will house drawing, painting, and ceramics studios, an art library, photography laboratory and darkroom, an art gallery, an outdoor art workplace and sculpture display area, and sev-

eral classrooms in a 30,000-square-foot building located next to the University's Bob Martinez Sports Center on North Boulevard.

It will be named the R.K. Bailey Art Studios after Ron K. Bailey and his sons, R. Kyle Bailey and R. Kent Bailey. Plans call for an extensive facade and landscaping that will enhance the architecture of the west side of the 90-acre campus. A new south entrance to the complex will be added to enhance a planned crosswalk and related projects. Construction is expected to take approximately two years.

“The Bailey Family Foundation is a strong supporter of post-secondary education, awarding more than 200 scholarships each year in Hillsborough, Pinellas and Polk counties, and several counties in Virginia,” said founder Ron Bailey. “Tampa is known for its appreciation of the arts, and this UT facility will only strengthen that reputation.”

The University of Tampa Scholarship Luncheon:

Kyle & Michele Bailey attended the University of Tampa Scholarship Luncheon on November 13, 2002. During lunch, they were able to sit with Naomi Creeley and Jessica Esparza, who received scholarships from The Bailey Family Foundation, and Kelly Balaco, who received a scholarship from the Kyle & Michele Bailey Endowed Scholarship. Michele Bailey said, “It was very gratifying to meeting these students in person and learn more about their challenges, successes, hopes, and dreams. I am looking forward to the attending next year.”

MS-Walk: The Bailey Family Foundation sponsored a team to participate in the MS-Walk 5K on November 9, 2002. The MS-Walk is a fundraising event for the National Multiple Sclerosis Society.

TGH Van: As many of you know, Ron Bailey suddenly contracted Guillain-Barré Syndrome several years ago and became very ill. After spending several weeks in intensive care, he began the long process of recovery. He spent several months at the Physical Rehabilitation Center at Tampa General Hospital where he received excellent care and made a full recovery. One of his fondest memories during that difficult time was when the staff loaded he and several other patients into the rehab van and took them for a trip to the ice cream shop. It was the first time he had left the hospital since he became ill. Last year, Ron learned that the van he rode in that day had suffered mechanical difficulties beyond repair and the rehab center could not afford a new one. Ron made a gift of \$35,000 and led a community wide fundraising effort for a new van at the rehab center. The community responded and they soon had a brand new \$60,000 van. After the dedication ceremony, Ron asked his family and a few patients to join him for a ride in the new van back to the ice cream shop.

Message from the editor:

It has been my pleasure to serve as editor for the May 2003 issue of The Bailey Family Foundation Newsletter. I especially enjoyed my interactions with you, our family and friends of the Foundation. In this modern world of e-mail, voice mail, mobile phones, pagers, teleconferences, and all the other little things demanding

our immediate attention, it's nice to open a few of those familiar newsletter-return envelopes and smile at the wonderful pictures and stories that were inside. Thank you for taking the time to share with us. I hope you enjoyed reading it as much as I enjoyed creating it.
